### **Application Review**

Upon acceptance of a fully-completed application, the Community Development Department will review the application for conformance to city codes. Submittal of any application does not imply acceptance or approval. Staff will review the application and materials, which will be deemed complete and accepted only if all required items have been included. The City Engineering Division review will be performed by the City's On-call Engineering firm for a cost-recoverable fee to be charged to the Applicant, with the estimated cost to be deposited with the City Engineering Division prior to review occurring.

Following completion of necessary reviews, a letter will be prepared and signed by the Community Development Director. If approved, the approval letter will be sent to the applicant with copies to the Title Company and the Napa County Assessor notifying all parties that the application is approved, contingent on the receipt of documents identified below.

Where development is taking place on lots involved in a lot line adjustment or merger, applicants and/or property owners are strongly urged not to execute or record any deed for the sale of any parcel until after the application is officially approved by the City.

### **Approval Follow-Up**

Following the approval of a lot line adjustment or merger by the City of American Canyon, the involved property owners must take the following actions to complete the process:

- Submit to the City of American Canyon copies of certificates from the Napa County Tax Collector and Redemption Officer that certify there are no liens for unpaid state, county, municipal or local taxes or special assessments collected as taxes against any part of the parcels involved in the lot line adjustment or merger.
- Pay the Napa County recording fee and provide a receipt of payment to the City of American Canyon.

After these items are provided to the City, the City will inform the County Clerk's office that the LLA is approved and may be recorded. The applicant will then record/execute the grant deed(s) and submit two recorded copies to the City of American Canyon Community Development Department.
